You are a **photographer or an artist** and your work represents Nature in all its forms?
The pictures are the heart of the exhibitions but any other artistic form can be accepted:
sculpture, sketch, painting, drawing...

Do you want to present your project to the general public?

You are a young artist or you are starting but you have a coherent set to present?

Are you a confirmed artist and you like the atmosphere of "Namur"?

Do you have committed works that carry a message?

Are you simply captivated by the beauty of Nature?

You want to expose in the majestic places of the old Namur and to discover secret places
that become jewellery cases for the artists?

Send us your application no later than march 15 !

Your application must include the following informations. You are free to present them as you like, but here's a proposal form.

Name of the artist:

Amateur or professional? :

Title of the exhibition :

Description of your project (*Theme of the exhibition, short presentation of the exhibition and its realization,...*)

Have these pictures already been exhibited at another festival ? If so, where and when ?

What are the technical characteristics of the exhibition? (Number of pictures/works, dimensions, type of framing, other technical specifications...)

Let us know a little bit more about you (photographic approach, other exhibitions,...)

Do you have any questions, any comments?
